As we continue to monitor daily updates regarding COVID-19, we want you, our customer and fellow community member, to know that Central Savings Bank is taking every step we can to keep a safe, fully functioning work environment so we can continue to provide the service you deserve during these troubling times. We also want you to know that Central Savings Bank has the means to keep your money safe with easy, continuous access for whatever your financial needs may be during this time. Remember, your funds are federally insured and the banking system is sound.

Even though access to our lobbies are by appointment only to help stop the spread of the virus, our drive up windows, night drops, ATMs and other services like internet and mobile banking, 24/7 access line, bill pay and person-to-person payments are all available to help you with your banking needs. For loan inquiries, you can visit and apply online at centralsavingsbank.com or by calling 906-635-6250.

We encourage you to reach out to let us know how you or your business is being impacted and we will be more than happy to discuss assistance options that will help all of us get through this together.

Stay healthy!
